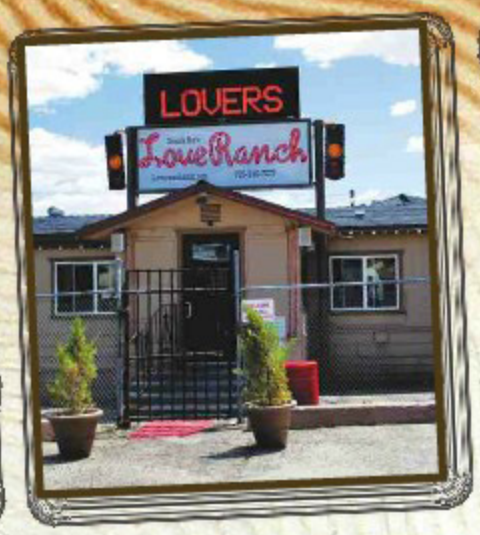
LOVE RANCH



WORLD XXX SEX-CLUSIVE!!!
LIVE From Dennis Hof's World Famous Love Ranch— Home Of The REAL Girlfriend Experience!!

As a change of pace, this month's LOVE RANCH column will feature a special report by a very special guest, Ms. Cami Parker. Cami is known worldwide as the "Queen of the Bunny Ranch," *(www.BunnyRanch.com)* the sister brothel of the Love Ranch, located across the street in Carson City, Nevada. The Bunny Ranch is well known for having it's own show on HBO-TV called "Cathouse," and stars, among others—Cami. Parker spends time at all four brothels owned by Dennis Hof (two new houses are located just outside Las Vegas), and thus is in a unique position to look at each bawdy house individually, and give her own erotic evaluation. Cami has graciously agreed to visit *SWANK* this month and talk about the Love Ranch.

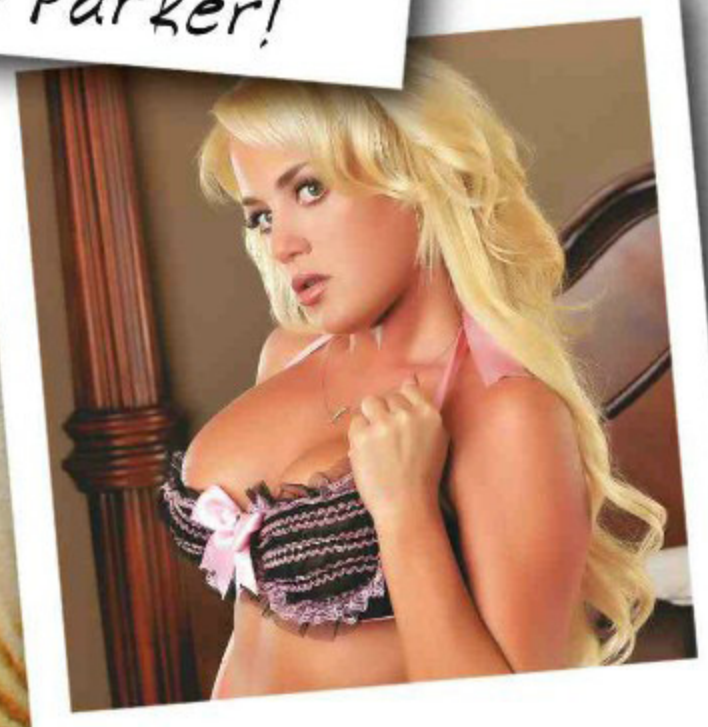
This Month's Love Ranch Lover...
Cami Parker!



"Why I Just Love the LOVE RANCH!"

Hi, everybody! Surprise, surprise, but guess who this is writing about the Love Ranch this month? Why, it's me Cami Parker of...the Bunny Ranch! That's right, you are reading that correctly! A Bunny Ranch girl writing about the Love Ranch! Is that wild or what? Yeah, it is, which is why when ***SWANK*** approached me to do it, and pose for this great layout on the next few pages—I said, "Why not?" And I did, or I am, or something like that. Either way, here it is, and here I am!

So, where do we begin? How about at the beginning? I was told I could write anything I wanted, so here it goes! Like I said, I am Cami, and I started to work at the Bunny Ranch several years ago. I am originally from Canada, and at the time, I was working as a model and going to journalism school in New York City. I had seen the HBO show, "Cathouse" all about the Bunny Ranch, so I contacted them to fly out to Nevada to give it a try. I loved my work as a working girl so much, that I just never left. I now live and work in Carson City, have great sex parties with lots of men and women, and I wouldn't trade my life for anything else in the world! I love being a Bunny, I love the other Bunnies, and most of all I love the owner, Dennis Hof. How funny, writing his full name, when all I ever do is call him Dennis, or really, Daddy!

So, that's me. Now, for the fantastic, wonderful, so great and cool, the...Love Ranch! Yes, the Love Ranch! I just love the Love Ranch! Is that strange, that a girl from one brothel is writing saying they love another brothel? Maybe...and maybe not! The Love Ranch and the Bunny Ranch are both owned by Hof. He bought the Bunny Ranch first, then, a few years later, the Love Ranch, and just recently—he started up two new

brothels just outside of Las Vegas. They now call him the "brothel baron," but to me, he's still just Daddy!

That's four brothels in total, and while I am at the Bunny Ranch, I visit all the brothels with Dennis, and know all the girls, and spend time at each location. It's great to give me perspective and ideas about how to make each place special for the customers and a good working environment for the girls there.

The Love Ranch? It is so special, I don't know where to begin. The Love Ranch has the reputation for having the nicest, friendliest, most down-to-earth escort girls in the world; and you know something—it's true! Every legal brothel in Nevada, there are about 25 of them operating at any one time, has it's own personality so-to-speak. This "personality" comes from a combination of factors; the attitude of the owner, the managing style of the madam, the atmosphere created by the kinds of girls, the hire, and stuff like that. Over the years, the Love Ranch began to become known as a very friendly place, where the girls were just like Girls Next Door, and that they went out of their way to make all customers comfortable.

And they do! Over time—while bringing in the right rules and guidelines—the Love Ranch became the "headquarters" for GFE—the Girlfriend Experience. That's where the girls make the guy feel like he is spending time with a real girlfriend—that is, with all the perks of a girlfriend, but none of the problems! And that's what it says right on the "menu," the introductory paper they give to everyone who walks in—"Home of the REAL Girlfriend Experience!!!" And you know what it also says? It says, "We're NOT the Bunny Ranch...so we try a lot harder!" That's right, so let me explain a little.

The Bunny Ranch is known worldwide, and has set the standard for a modern, enlightened, incredible place—both for the clients, customers and staff. Dennis has devoted his life to making that goal happen, and as you all know, he has! So, with his other brothels, Daddy strives to make them as high class as the Bunny Ranch, but with their own special twists. The GFE is the ultimate fantasy of having the perfect woman come to life in your arms whenever and however you want—and at the Love Ranch, you get just that. Imagine a girl you can truly be yourself around, a lady you can share your erotic desires and intimate moments with, someone who is always happy to see you; accepts you for who you are, as you are, and is waiting to fulfill your every need—physical, emotional, sexual—with no strings attached—then, welcome to the Love Ranch where you will be loved!

I love all the girls there, too, and Dennis and I always go over there, sometimes every day to hangout, talk to the girls, and have a ball! Some of my favorite Love Ranch Lovers, which is what they "officially are Lovers" are: Ruby Rae, Cherry Bang, Vanilla Frost, Jade Capri, Raven Lee, Kimberly Love, Jill

Chandler, Jimi Lynn—forget it, I love them all, I really do—just look at the weekly lineup of girls at *www.LoveRanch.com*! And they will do anything a customers wants! Anything! Check out their "Kiss-a-Thon And Tell" party—for big time tongue-lovers, "4-Play For Two"—loved by those who enjoy sexual tension, or "Do You Like My Body?" party which offers teasing torture you have to experience to believe. The list goes on and on and on—the Lovers at the Love Ranch not just do it all, they know what they are doing!

And as they say, all their girls? "All our ladies are triple certified GFE practioners!" And if you don't believe it, just check out CBS-TV News, the *Los Angles Weekly*, and dozens of other media reports about the Love Ranch. They all agree—the Love Ranch is full of love!

Anything else? Oh, yes! Sometimes a lot of people ask me: "Is there any rivalry or jealousies between the Bunny Ranch and the Love Ranch?" "Do the Bunnies and Lovers like each or not?" Well, I can report to you that we not only like each other—we *love* each other! Believe me, there are enough customers to go around—and around, and around, and around.....Every once in a while, a Bunny will cross the street to become a Lover, and a Lover will come over and be a Bunny. And you know what? When that happens, it's all good! The Bunnies and Lovers stand together, and get down together, and will fuck forever! Yeah!

So, that's probably it! A Bunny Ranch look at the Love Ranch, and I am so thankful that **SWANK** saw fit to ask me to do it! Before I leave, though, I want to give a shout out to my girls at the Bunny Ranch—"What's up, bitches?" And a shout out to the great, beautiful sexy girls of the Love Ranch—"You are the best! For real!" Okay, I ran out of room, I have to sign off, love you all, see you soon, at the Bunny Ranch and...the Love Ranch!

LAYS

By its appearance here—this installment of "Lays" is obviously linked to last month's issue of *SWANK*, and although, as I am writing this—I have absolutely no idea whatsoever how the images that I sent along for Part One will be presented...

"The Legends of Erotica—Part 2"

However, it would be great if they were presented in a way that one might be able to create an entire deck of cards with the art in this column, and then be able to play (at least) a remarkably arousing game of Solitaire.

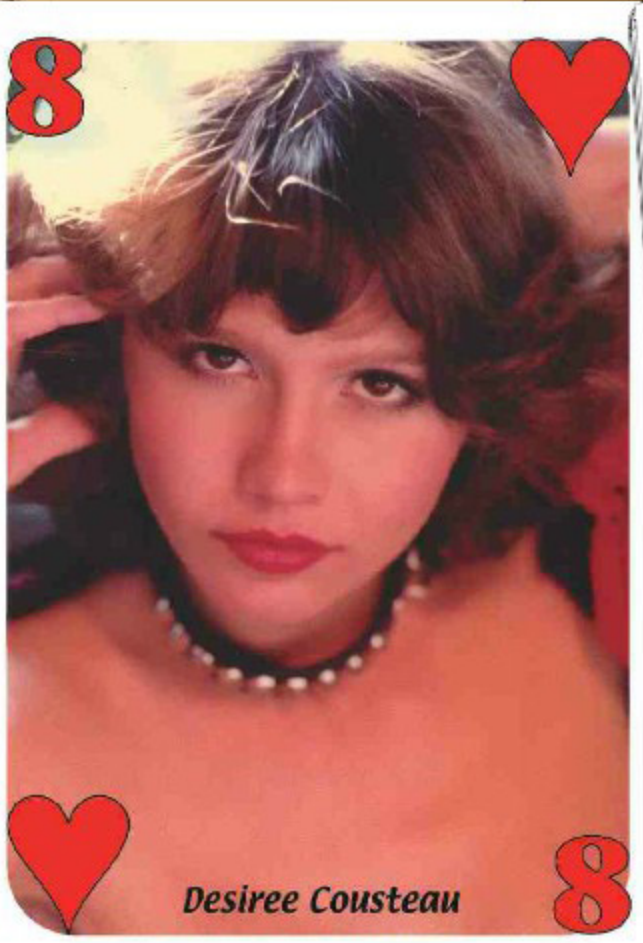
For the record, when I originally conceived The Legends of Erotica in 1997, to honor the 25th Anniversary of XXX Films (based on the release of 1972's, *Deep Throat* and *Behind The Green Door*), I had intended to create a group of just 25 performers.

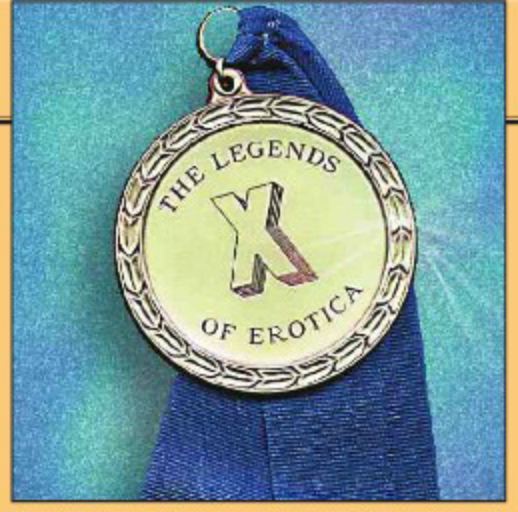
Reaching out to various adult industry journalists—including, of course, the acknowledged historian, Jim Holliday—it was almost immediately obvious that there was going to be a tie at number 25.

However, the fact that there would be 26, ignited a spark in my mind to create another list of 26 names that would be honored in 1999.

Also, my rationale was also the realization that the distribution of adult films in the early 1970's had been sporadic, and therefore, many viewers weren't able to view the films in their neighborhoods. Indeed, I'm sure that potential fans of fornicating films in vast portions of the more stringent areas of United States were left in limbo as far being able to see the likes of "Throat" and "Door" in theatres, leaving them left in the dark—literally.

And now, as in last month's Part One "Lays"—here is the second installment of the 26 Legends of Erotica—presented in alphabetical order:





E were the LAYS

By William Margold

Top Row, Left to Right—

TRACEY ADAMS: *A mesmerizing blend of regal and raw—Tracey picked up Kay Parker's glamorous gauntlet and never looked back…or missed a beat.*

BIONCA: *Sassy and super-sexy, this femme de fornication made Seven (as in Bruce) her lucky number, and rolled out quite a carnal cinema career.*

RENE BOND: *The "Lust Angeles" based early '70s superstar was the fuse on the firecracker that has become today's sexual skyrocket. Endearingly known as "The Kewpie Doll of X," she sadly passed away in 1996.*

LESLLIE BOVEE: *With a perpetual pout, and an indelible air of wantonness—Bovee pushed the sinematic thermometer way, Way, WAY beyond the boiling point.*

T.T. BOY: *The ultimate statement in what being a stud in the '90s is all about. He was truly the perfect example of what "Get it up, get it in, get it out, and get it off 'on cue' " means.*

Bottom Row, Left to Right—

ERICA BOYER: *Multi-talented and always molten—she sizzled her way through a decade of delightful decadence. And though her passing in 2010 was a shock, her beautiful light will shine brightly.*

DESIREE COUSTEAU: *If ever anyone emoted the wackiness of the whack-off genre, "Dizzy Desi" was our mascot of masturbatory mayhem.*

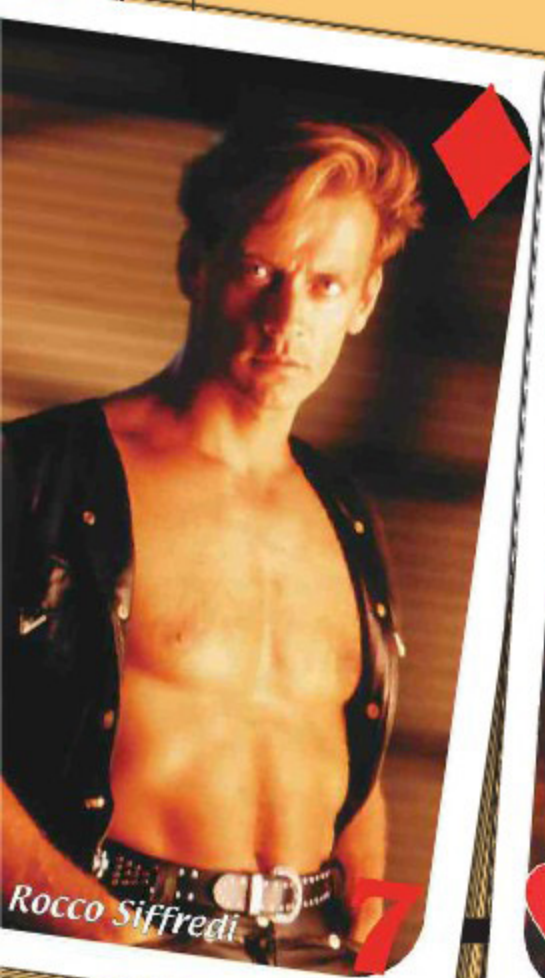
BARBARA DARE: *A smoldering stick of dynamite whose power-packed pulsations perpetually projected an air of danger. Enter with caution.*

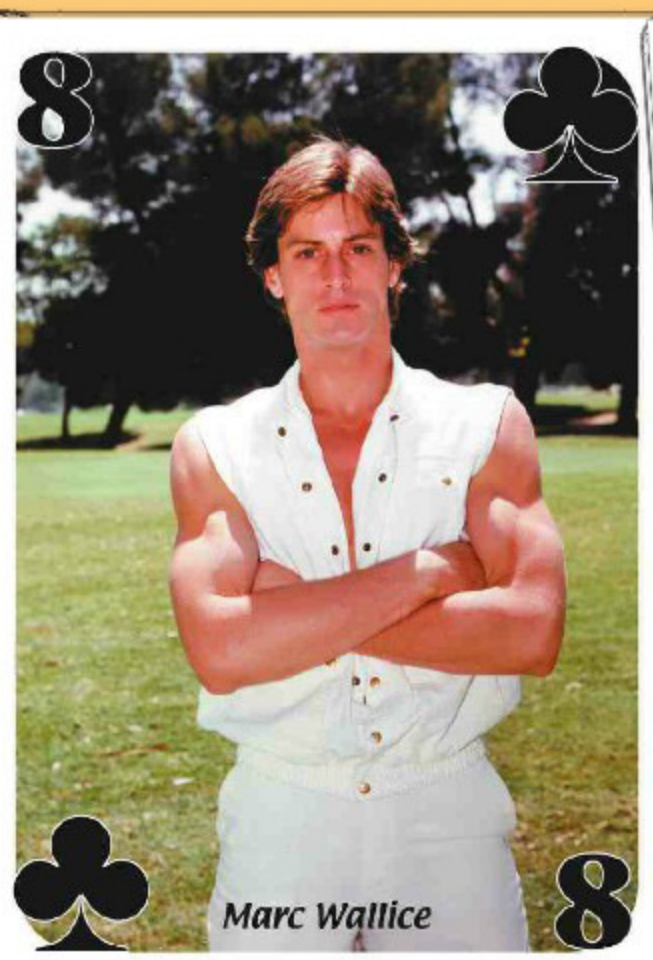
LISA DELEEUW: *The Lucille Ball of XXX— the extremely well endowed redhead was a veritable Olympic torch of fun for all…and all for fun—even though her torch faded out in 1996.*

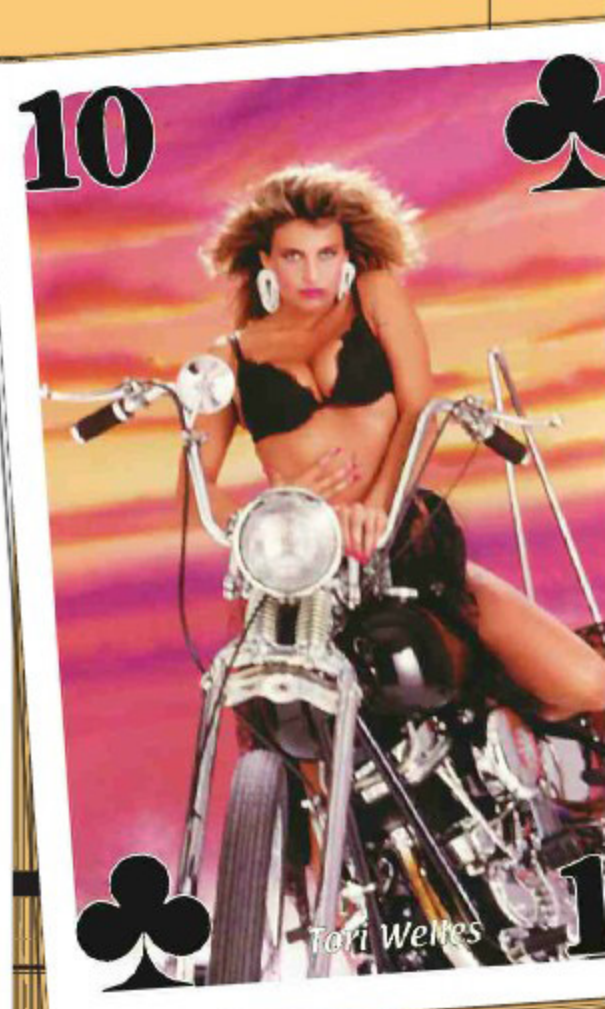
DEBI DIAMOND: *A "Glamazon" whom presented a searing sexuality that was tantamount to body surfing a tidal wave.*

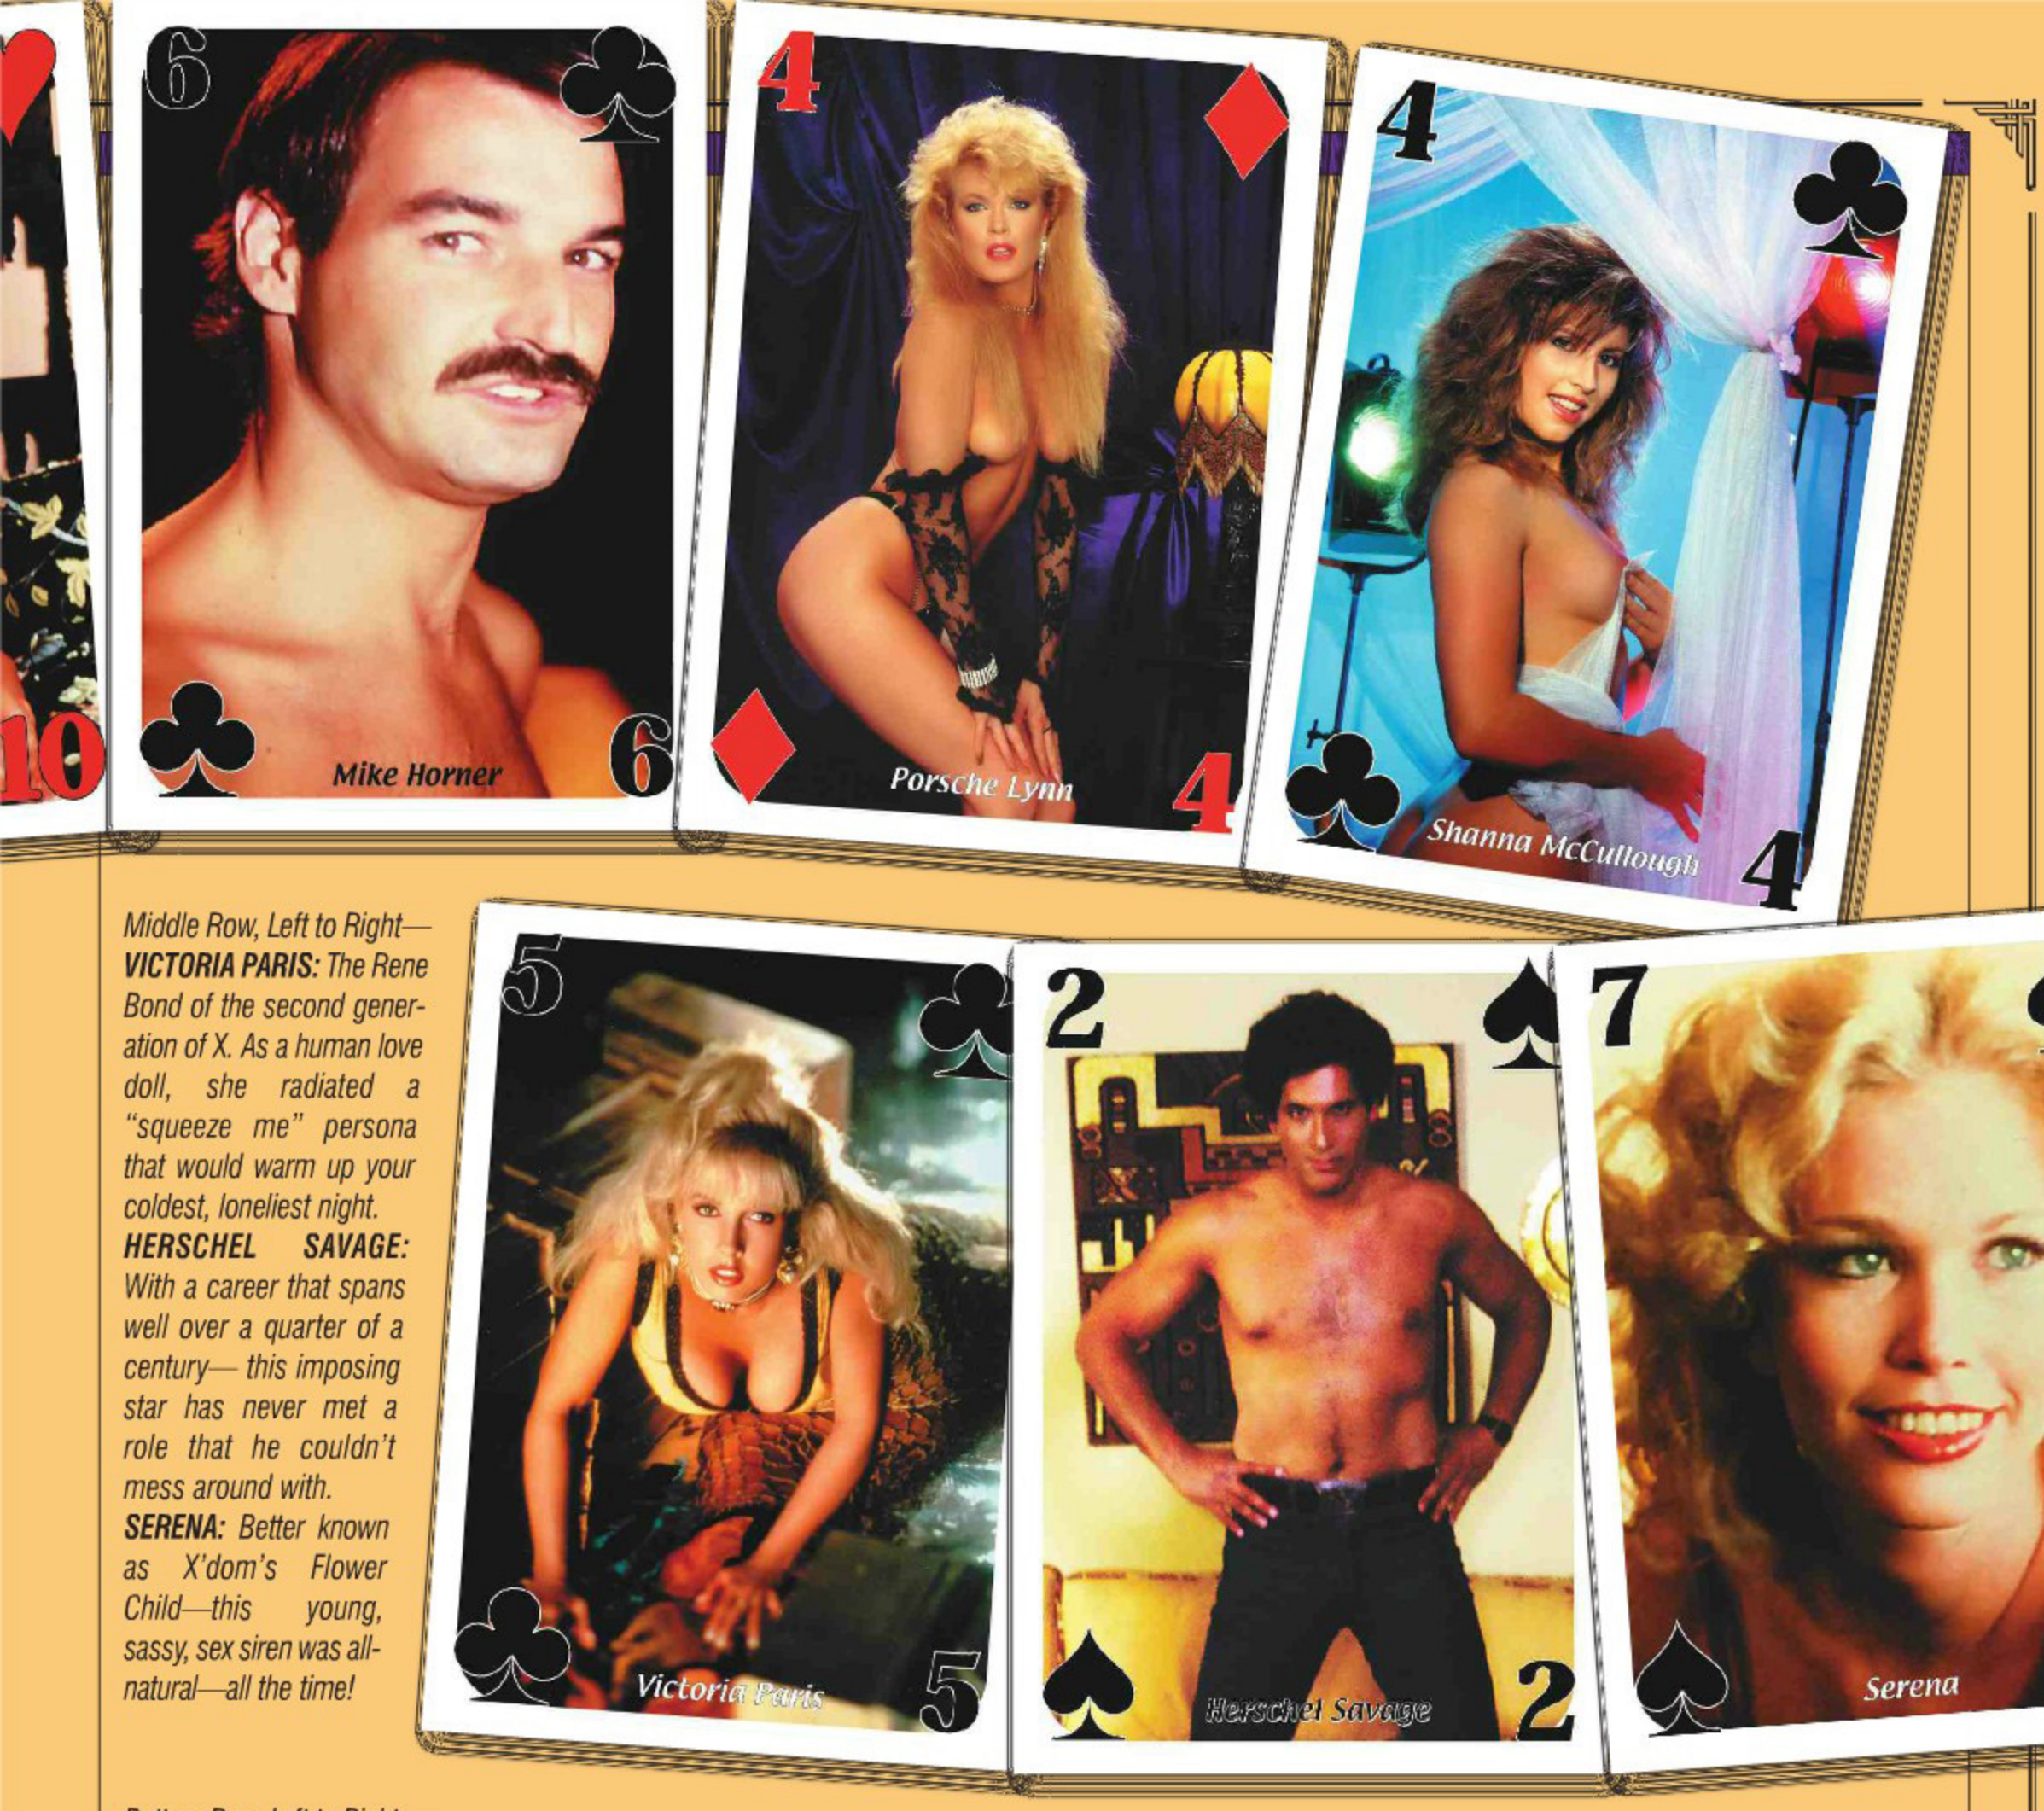
Top Row, Left to Right—
ASHLYN GERE: *A unique blend of respectability with raunchiness, there was always something very adult as well as very arousing about this radiant wonder.*
SHAUNA GRANT: *Grant's eerie melding of innocence with intimacy landed her a permanent spot in XXX history, and in less than two years—this "Little Lost Lass of Lust" became a cult figure, due as much to her screen sintensity as her tragic demise in 1984.*
MIKE HORNER: *Erotica's everyman for every sexual season—he is the master (and masturbator) of making normal—naughty.*
PORSCHE LYNN: *A bawdy, breathtaking beauty—with legs that poked holes in Heaven while sending you to Hell. Indeed, this lady launched a billion wet dreams, and created an ocean of orgasms.*
SHANNA McCULLOUGH: *This versatile vixen has a very long and illustrious list of film and video sexperiences, marking her a true Erotic legend.*

Middle Row, Left to Right—
SEAN MICHAELS: *Dare I say that he's the Michael Jordan of Bare-Ball. Cool, classy, charming, and totally collected—this "Carnal-Athlete" looks better suited for the cover of* GQ *rather than for the front of* AVN. *The man doesn't walk—he glides.*
CONSTANCE MONEY: Misty Beethoven *in the flesh. The epitome of a "Legend of Erotica" who potently proved that a few right roles can provide a lifetime of molten memories.*
KELLY NICHOLS: *Among the most beautiful women ever to lay her lust on the line—her luminosity was—and still is—anything but skin deep.*



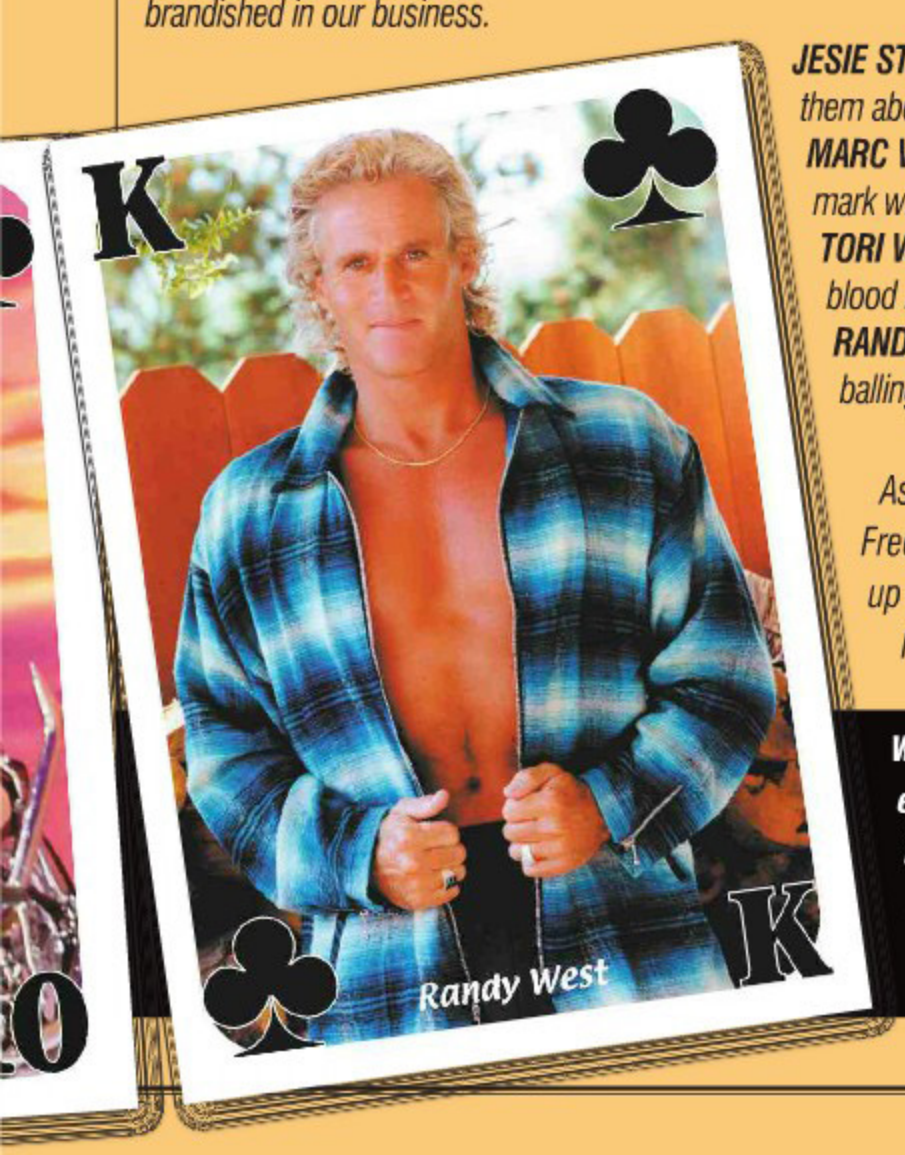






Middle Row, Left to Right—
VICTORIA PARIS: *The Rene Bond of the second generation of X. As a human love doll, she radiated a "squeeze me" persona that would warm up your coldest, loneliest night.*
HERSCHEL SAVAGE: *With a career that spans well over a quarter of a century— this imposing star has never met a role that he couldn't mess around with.*
SERENA: *Better known as X'dom's Flower Child—this young, sassy, sex siren was all-natural—all the time!*

Bottom Row, Left to Right—
ROCCO SIFFREDI: *"Sly" is a pony compared to this Italian Stallion, who has carved out a legend for himself with one of the most formidable tools of the trade, ever to be brandished in our business.*



JESIE ST. JAMES: *Lean, but never too mean—this star could make men wish that they were boys, so she could teach them about sex—and make boys pray that they could be men enough to try and handle her.*
MARC WALLICE: *Invariably overlooked when it comes to listing the legendary studs—this fellow more than made his mark when and where it counted…over and Over again!*
TORI WELLES: *The most camera magnetic adult star of all-time—she exploded with a primal sexuality that made the blood boil and fantasies flow like fine wine…some other more appropriate liquid.*
RANDY WEST: *Handsome is as handsome does, the man is X's knight in erotic armor—ever-ready to stride into balling battle to win the hand—and hopefully, a great deal more of whatever pulsating princess was in need.*

As a personal side note: Jim Holliday, who had allowed me to present the first 26 medallions during the Free Speech Coalition's, "Night of the Stars" event at The Universal Sheraton on August 1, 1997—did show up at the event at The Bonaventure in Los Angeles on July 10, 1999, to present the second series.
I felt truly honored just to be able to be on the stage with him as he read off their names.

William Margold's actions and activities have spanned the entire timeline of the modern adult hardcore entertainment industry (1972-present), and along the way, he has founded a number of organizations including The Fans of X-Rated Entertainment (www.foxe.com) and Protecting Adult Welfare (www.paw-foundation.org). DON'T CROSS THIS DANGEROUS DAME!

Think you have problems with women? Then check out the crazy things Robert Mitchum goes through in the classic 1947 film noir thriller, *Out of the Past*, available from Turner Home Entertainment on DVD. This is one of the movies that really defines the 1940s for us today, with its private eye anti-hero, Jeff Bailey (Mitchum) who's put through the wringer by beautiful dame Kathie Moffett (Jane Greer). He's hired to find and bring her back to a Big Operator named Whit Sterling (Kirk Douglas), because it seems that Kathie drilled Whit with a few slugs after stealing forty thousand dollars of his money.

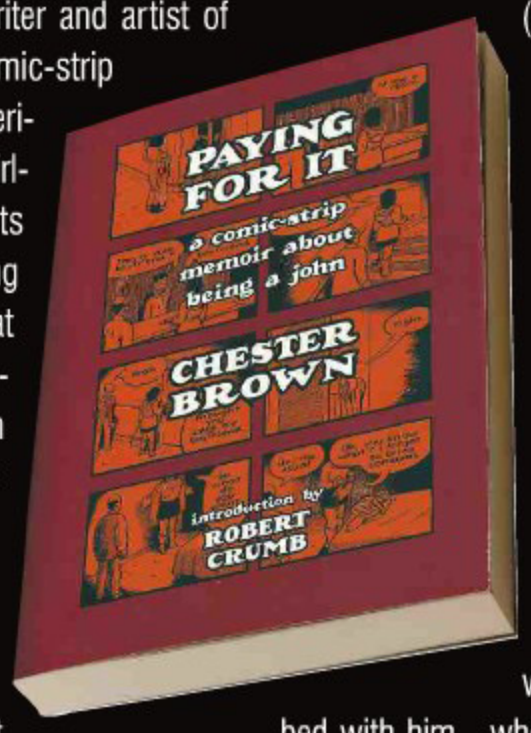
Although I've read that tough guy par excellence John Garfield was once up for the part, I can't see anybody else but Mitchum in the role of the private eye. Garfield was more melancholy and emotional an actor; Mitchum has just the right cool—total cool, was there ever any actor cooler?—as he wanders into a nest of vipers when, after a few years of laying low, Kathie and Whit come back into his life just as he's thinking he might be able to forget his old sleazy gumshoe life and settle down with a sweet, small town girl played by Virginia Huston.

Jane Greer as Kathie is regarded as one of the baddest girls in all of film noir—and you have to see her to believe exactly how unscrupulous she can be. From the moment when Mitchum falls for her as she walks out of the sun into a shady Mexican cantina, she reveals more heart-stopping twists than a mountain road—not that you doubt for any moment that if you were in Mitchum's place, you'd go along for the ride too. Kathie's kisses are sweet, she rubs your hair with a warm towel when you come in out of the rain, and she's ready to run away with you and start a new life—but just don't be the guy who messes up her plans. Hey, don't worry, I'm not giving any spoilers here. You gotta see the show for yourself.

Jane Greer was a tart and sexy actress who probably didn't make as many movies as she deserved. Another excellent one, lesser known, is 1956's, *Run For The Sun* where she and Richard Widmark are hunted in a South American jungle by ex-Nazis in hiding. It pops up on Turner Classic Movies. But she is regarded as an immortal film noir goddess for *Out of the Past*, and when you see it, right down to the intense finish, you'll understand why. Nobody messes with Kathie Moffett, but Mitchum is up to the challenge. Look for the DVD at Amazon, and if you go to Jane Greer's IMDB page, you can see a free complete half-hour *Alfred Hitchcock Presents* episode from the late '50s wherein she plays another tricky lady in the segment entitled "A True Account." She maybe be a few years older than when she played Kathie Moffett (she was 22 then), but no less devious. Find it here: *http://www.imdb.com/video/hulu/vi2764243737/*.

THE BENEFITS OF GOING TO HOOKERS

There has never really been a book like *Paying For It* before on subject of prostitution, as far as I know. Most writers on the subject act detached from it, and often say (or pretend) that they've never even indulged in the experience of handing over money for sex. On the other hand, author, Chester Brown, an acclaimed writer and artist of graphic novels, uses the format of a "comic-strip memoir" to honestly examine his experiences going to hookers after he and his girlfriend essentially break up, but she gets involved with another guy while continuing to live with Chester. He starts to think that the whole idea of romantic love is unworkable, at least for himself, and that a man can have more self-respect if he admits that he wants sex without complex emotional entanglement. That's what "paying for it" is like for Chester: he gets the kinds of women, and the sex, that he craves, without all the baggage that comes with being "in love." Yet he does look for some connection with the prostitutes, because he's not just a "wham-bam-thank-you-ma'am" guy; he enjoys talking to them and learning a little about who they are.



If you've ever gone to a prostitute you will find this book amazingly realistic. Although Brown has a very straightforward and unpretentious drawing style, his writing is very much attuned to realistic dialogue and thought processes on a complex level. As someone who's been to his share of hookers over the years, I was amazed by how Chester Brown caught not only the rhythms of the conversations men have with prostitutes before, during, and after the sex (or at least similar to the conversations I myself had), but he also captured the ups and downs of the introspection that goes along with the experience if the customer has any tendency to self-examination.

Without divulging details of the sex workers' lives or personalities that would break their anonymity and identify them, Brown brings them to life as individuals and, yes, as erotic creatures who excite him. He shares the things they said about their work as well as the details of what they did in bed with him—who was good at blowjobs, who covered her face with her hair during sex, who gave him eye contact while she rode on top of him, and so on.

The book also has a long prose section at the end where Brown discusses the pros and cons of legalizing prostitu-

TIPS FROM A CARTOON CUTIE!

If you want to get your lady into role-playing as your dominatrix but she's hesitant to try it, maybe a little humor could help win her over. Get her The Betty Boop Man-Training Kit! The kit comes with a bendable three-inch Betty figurine complete with a whip, and the accompanying "Man-Training Manual" explains in a light tone what a modern princess should expect from her man, from "respecting and honoring her opinions" (even if she says the world is flat) to serving her breakfast in bed, massaging her feet, giving her flowers, cooking for her, and of course putting the toilet seat down! Maybe these things are more along the lines of being a gentleman than a slave, but it seems to me that when they're done with total obedience, could almost turn any guy into a slave! In any case, Mistress Betty will always be prepared with her whip just in case any mere male gets thoughtless. This cute little item from www.runningpress.com can certainly get a conversation started, whether your want your gal to just train you to be a better boyfriend, or something more kinky. You can find it on Amazon as well.

GOOD GIRLS GET GIFTS!

An interesting item came to my attention in the California Exotic Novelties catalog: the Sensuous Rotator™. This looks like something that could be very useful in some naughty roleplay scenarios with just the right lady. Let's say this hypothetical lady has been a very bad girl, and deserving of a playful spanking from you. You put her over your knee and illuminate the way things should be. After her bottom is warmed and she knows better about how she should behave, she can be rewarded with the gift of a Sensuous Rotator™. It is made of Crystalessence™ (PVC) and runs on two AA batteries.

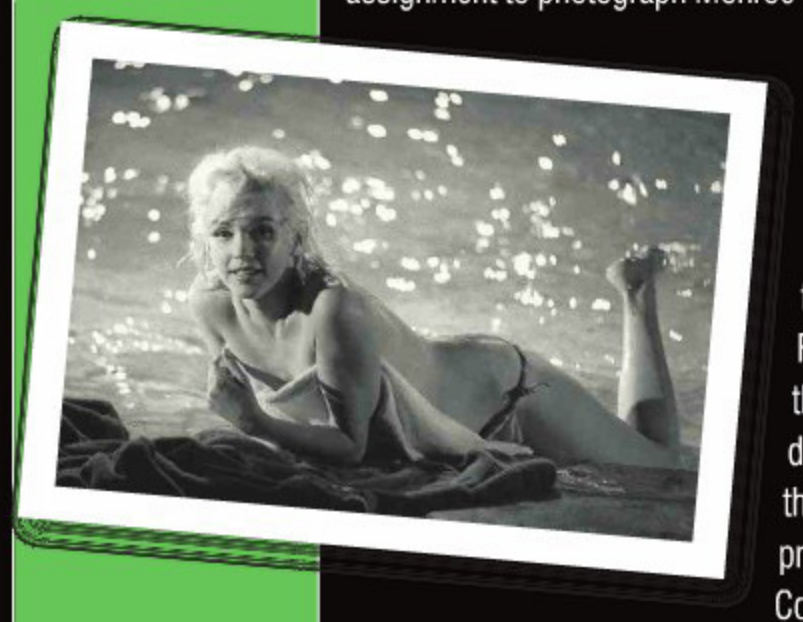
Have her take the Rotator and press its suction base against a surface where it will hold fast, and then, after she is sufficiently lubricated, she can sit her bottom down upon it and enjoy the five-speed sensations which she can control with the handset. Or, you can stand next to her and hold the handset yourself while she attempts to hold her hands demurely at her sides, or perhaps behind her back, while you control the gyrations of the device in her derriere. It should be an interesting experiment in orgasm to see her explode on the Sensuous Rotator™!

A gift like this would make any mischievous hussy more eager to behave in the future, if only because she will crave more and more time with the Sensuous Rotator™ as her bonus! Look for it in the Anal Toys section at *www.calexotics.com*

tion. Although this subject is complicated, his treatment of it is absorbing and never dry. He's like an interesting guy you meet at a low-key party who can explain his point-of-view cogently and without being overbearing. Brown really makes you think about why it would be better for prostitution simply to be decriminalized rather than regulated by the government. He sees legal regulatory systems as being oppressive in many ways to the women. As he explains it, decriminalization would allow the women to take more charge of their destinies, and operate more humanely as entrepreneurs and makers of their own destinies rather than being under the thumb of oppressive rules and supervision.

Paying for It is fascinating for its depiction of how one man remade his sex life, as well as for its vision of a society where people can pay for sex without stigma or shame. And some of the dialogue as Chester is confronted by his friends about his "whoremongering" is both insightful and funny, like a great comedy. I highly recommend this book, published by Drawn and Quarterly of Montreal, Canada. Go to their website at *www.drawnandquarterly.com* or find it on Amazon, as I did.

Marilyn coyly swimming in the nude!



MONROE'S NUDE SWIM

Marilyn Monroe would have been 86 had she lived until 2012, and commemorating the 50th anniversary of her death, the Steven Kasher Gallery of photography in Manhattan staged an exhibit entitled "Lawrence Schiller: Marilyn & Me." Although the show ran from May 31, 2012 until June 30, 2012, you can go to the website to see the images that were shown: http://www.stevenkasher.com. The image you see here is from the publicity card.

Lawrence Schiller was 23 but already an experienced photojournalist when he got the assignment to photograph Monroe on the site of her film *Let's Make Love* in 1960. His professional association with her continued when he photographed her on the set of *Something's Got To Give*, the movie from which she was infamously fired shortly before her death in August 1962.

Schiller and Monroe hit it off, resulting in photographs that seem especially valuable in two important ways. Firstly, they are definitely some of the best ever made of the actress, some of the most truthful yet affectionate; so despite the fact that the movie was never completed, these startling pictures came into being *because* of the production and therefore justify that aborted enterprise. Coming at the end of her life, they are a worthy bookend to the photos she made at the beginning of her career in the '40s with the great photographer of women Andre de Dienes. Secondly, Schiller's images are a treasure trove for anybody interested in photographing women; they are most worthy of study, because the pictures would be memorable even if they *weren't* of Marilyn Monroe. They are a truly combination of the photojournalist's art with a touch of realistic erotic glamour. Because Marilyn liked and trusted Schiller, he got to capture everything from Marilyn coyly swimming in the nude for a controversial scene, to celebrating her 36th birthday on June 1, 1962, to relaxing with her drama coach and talking with her co-stars Dean Martin and Wally Cox.

You can read Schiller's story in his memoir *Marilyn & Me: A Photographer's Memories*, published by Random House for $20 and available at most book retailers, brick and mortar or online; or if you have $1000 to spend, you can read the same memoir in a ultra-deluxe edition bound in silk (!) with all sorts of interesting historical materials about the actress's later career, as well as Schiller's images; check it out at http://www.taschen.com under the title *Lawrence Schiller. Marilyn and Me: A Memoir in Words and Photographs.* Tell 'em **SWANK STUFF** sent ya!

"A Dream Cum True For America's Most Exciting Porn Starlet!"

Is this sick or what? I really can't believe it! What a trip this is, can you check this out? Me, Tanner Mayes, joining the staff of ***SWANK*** magazine! Wow!

Now, can you beat that? I got this phone call from ***SWANK*** magazine and an editor said he wanted me to help run ***SWANK!*** So cool! I said "Yes!" Supercool! I'm super excited!

However, I didn't know much about magazines, except I once bought one—I think! "That wasn't important," the man said. They would teach me, and wanted me to use my sex and porn experience to make ***SWANK*** real zesty, and they said I would be working with Ron Jeremy who was already with ***SWANK***. So cool! Finally, we made a deal, and the deal was done! The first thing they did was set up this great photo shoot for me in Los Angeles, so I hope everyone checks me out—guys love to check me out! Also, this is exclusive they said, so the pictures are here for the first time ever! And never again!

The next thing is that the mag wants me to write something about me. Hmmmm...well, my name is Tanner Mayes, although I have seen my name on some boxcovers as: Tanner Mayberry, Tanja, and Tanner Maze. I rarely go by those names, but it's all good! I'm a

Gemini, 23-years-old, and I'm from Michigan—and I have some Costa Rican in me somewhere somehow! I'm 34B-26-34 and 5'6" and 119 pounds, but sometimes, I get those numbers mixed up, don't you? I got into porn in Florida in 2008, and so far, I've done about 200 hardcore sex scenes. Is that a lot—it seems like a lot! I've done like, a million of those young girl tapes, because I'm all natural and look like a kid sometimes—although I do have a few Tats: "Just Love Me", "Faith," and some Chinese characters. I think they are all cool!

And my porn movies, you ask? I can't keep up with them. I know a lot of them have the word "teen" in them—does that help? Let me think hard: *Barely Legal 90* and also *98. Teen Pink, Real Slut Party, Snort That Cum 2*, I can't remember, but I know if you go online, you can see lists of them all. And if you find the first, could you send them to me too, please? Thanks! I just started doing anal this year,

This is exclusive, so my pictures are here for the first time ever!

So far, I've done about 200 hard-core sex scenes! Is that a lot...?

but everyone says I do good sex scenes, and I think I do as well. I don't know why they are good, but I like them! And I get so many offers to work, I sometimes have to stop answering my phone!

The ***SWANK*** man watching me write this now says I have to "wrap it up!" All right, so here I go: What am I going to do with ***SWANK?*** I don't know yet, but they said I can do anything I want! I said, "C'mon, really?" They said, "Yes." So, I said, can I put my pet dog on the cover, and they said no! I will have my own column every month starting next month, so I can say whatever is in my head—and that's just for starters—this is going to be so crazy! So, look, help me out here—really. Write me here at ***SWANK,*** or contact me online and give me some advice! This is so mental; I can't wait!

Kendall Karson proves to be the fallen angel of the bunch when performing a solo stroking for Danny Mountain. Watching this angel whore unleash in doggie—spurring on her man makes this scene even more scorching before a generous pop shot across her nimble figure.

Last, but not least—Gia Steel steals the scene as a shy, slutty starlet—pulling up her girly dress, Richie plunges his experienced hose in her tight twat in doggie—serving her a whipped topping of his splooge all over her. *–Farley Finagle*

Watching a youthful Riley Reid take Mark Ashley's throbbing, massive mast in her tiny mouth gets pussies gushing and cocks rock-hard—but it's her dripping saliva that makes it easier for her to get pounded in mish and doggie. The sweat beads that form on her forehead make it almost seem that she's too naïve for such a hard ramming, but this petite minx holds her own.

Fixing her pink socks and alabaster stockings, Chastity Lynn waits to be taken over by Michael Vegas who

Nacho and Erik have a situation on their hands. They are looking for a roommate and the only taker on their offer is the sparkling Latina, Selena Rose. Considering the prospect of rooming with this major piece of ass and getting a third of the rent paid, the boys welcome her open legs in with open arms.

With Selena all moved in, the men of the house are faced with the challenge of having to convince their girlfriends that things with their new house-mate are strictly legit.

Nacho puts his cards on the table for his chick, Vicki Chase. Surprisingly the talk goes pretty well, and Vicki is rewarded for being a good sport by getting dicked in her starving clam.

Erik falls off the fidelity wagon before he can even swear his allegiance to his girl, Asa Akira. He whips his cock out at Selena and she swallows the sword like a pro. Selena always delivers an amazing scene and her bang with Erik is no exception.

Roomie number two falls next when Nacho lays the wood to Selena's muffin. Again, Selena rises to the occasion and takes all the cock that Nacho throws her way.

Erik and Asa are next to hop on the fuck train. Asa is a hardcore Asian cum-queen and Erik gets all he can handle. She spreads her cunts and encourages her man to hit her with everything he's got.

Not long after the spunk has rained on her face, Asa and Erik's love-in comes to a crashing halt when Asa discovers a pair of panties in Erik's bed that do not belong to her. Selena claims the undies and Erik joins Nacho in updating their respective relationship status to single.

In the end the boys give Selena her walking papers and commiserate going from having three piece of ass to none.–*Johnson P. Puller*

Katie St. Ives & Mick Blue

As plot-heavy as hardcore studio heavy hitters, Digital Playground are—director, Robby D. takes it up a notch with a Gonzolike feature in *Jack's POV 19.* Sporting a new angle in porn, Robby captures the heart and soul of XXX through the lens of the camera.

First up, Digital Playground newbie, BiBi Jones sways her narrow hips for the camera, spurring on Manuel Ferrara's raging cock, and the moment this teenage tart inhales his hulking, uncut hose, the audience is in for a treat. It's when she's shaking on his stick in cowgirl do we recognize just how big Ferrara is, and when Jones flushes her girl goo all over his cock in cowgirl, fans will applaud Robby's usage of POV angling.

Alanah Rae's tits are huge, but when there's a close-up of her pendulous pillows in front of your face—cocks will harden just like Toni Ribas's while she gets banged in mish by his throbbing mast. Watching her body quake in cowgirl while her nips are at stiff peaks is one of the hottest scenes in the mix.

It's Lea Lexis's birthday, and her man, Manuel surprises her with a cupcake, but it's her special sweet treat that he wants to divulge, and when her swollen nubbin puffs up like a baked potato while he inhales her mound whole—this birthday girl can't stop cumming. However, Robby beautifully captures her full, wide ass when Ferrara plunges inside her in reverse cowgirl.

Charley Chase is stuck cleaning a pool, but when she spots Mick Blue, she decides to wash his cock with her saliva. Pleasuring him in mish, we get a decent view of her natural titties and curvy hips while she rides his cock hard.

The gloss on Katie St. Ives's full bush glistens for the camera when exhuming Mick Blue's colossal cock, and with her nipples the size of saucers, it's fun to watch them bounce when she gets a proper Frenchman fucking.–*Jill Killingham*

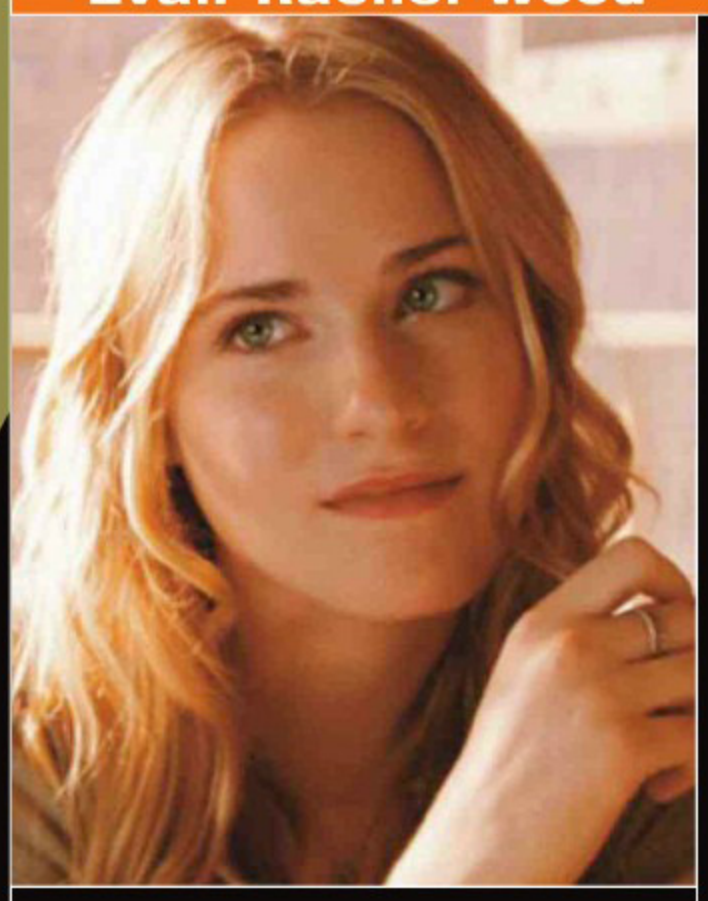
Evan Rachel Wood



Though she flashed a little ass and slipped a little nip in the 2007 musical, *Across The Universe*, it wasn't until 2011 that the enticing Evan Rachel Wood committed to taking it all off for the 2011 HBO miniseries, *Mildred Pierce*. "I did my first nude scene in *Mildred Pierce*, and that was absolutely terrifying, but it was for an important part of the film and for a reason, and it's incredibly powerful," Evan reasoned in a recent interview. "It's not gratuitous. I think the stuff they show on MTV is so much worse."

Paz de la Huerta

Pulsating Paz de la Huerta kept our eyes glued to the screen when she degarbed in such arthouse favorites as *Choke* (2008), *The Limits of Control* (2009), and *Enter the Void* (2009), but her most notable and naughty nudity goes down on HBO's smash series *Boardwalk Empire*. Portraying a former Ziegfeld Follies dancer who gives up her life on stage to become the mistress of a crooked Atlantic City politico (played by Steve Buscemi), Ms. de la Huerta likes to "Paz" the time wearing as little clothing as possible!

Forever Mine (1999)

Like Paz de la Huerta, gorgeous Gretchen Mol has shed her skivvies regularly in feature-length films, notably, 1999's *Forever Mine* and the 2005 bio-pic *The Notorious Bettie Page*, but she saves her most bombastic boobs-and-bun baring for her role on HBO's *Boardwalk Empire*. The series finds her portraying a single-mother/showgirl at Atlantic City's Beaux Arts Theater, where she sexily shimmies out of clothing on stage—just as she does in the bedrooms of a handful of the show's other characters!

Take care, and keep on strokin' to the movies!

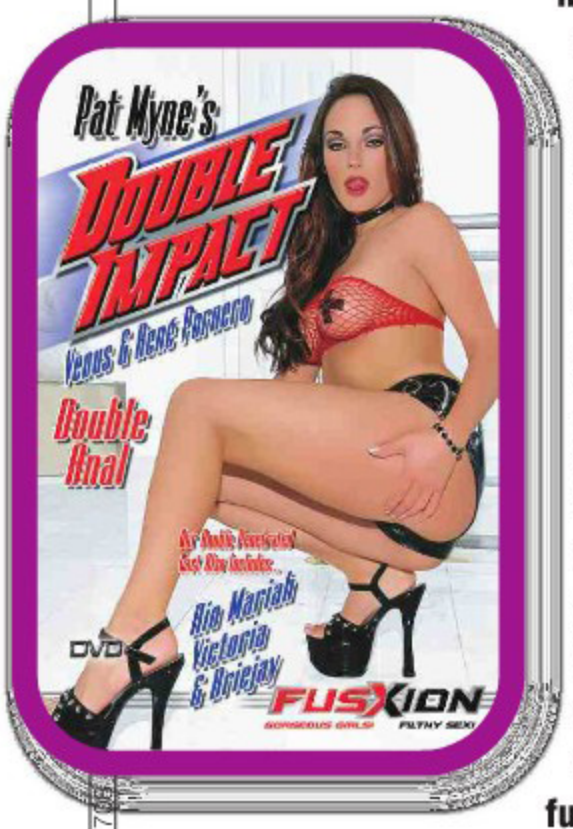
XXX REALITY CHECK

What's In A XXX Movie Name? Sometimes Nothing, Sometimes Everything!

Crunch time! Crunch time! That's what we say in the *SWANK* publishing business when we are on deadline! No time to spare! No spare time! No nothing! It's X-rated work around the clock here at porno HQ I tell you! Whew! What a wild gig huh? I have to tell you, it can be XXX-hausting around here sometimes, but I love it! Who wouldn't? How you all been in the meantime? Totally well I hope, and of course, getting laid here and there! You know, because there are so many things you can do with an issue of *SWANK* every month! You can: read it and beat off, you can read it while jerking your girl off, you can both jerk off while reading it, you can fuck while reading it, you can suck while reading it, you can suck and fuck while reading it, you can suck and fuck while reading it while a good friend makes you breakfast, you can...well, I think you get my point! *SWANK* is just a great magazine to have around, for anything perverted you have in mind—am I right? I *am* right! Haha!



"'Double Impact' Had An X-Rated Impact!"

Text By Ron Jeremy
Photos Courtesy of Metro/Fusxion Videos

Renee Pornero, Brian Surewood, Chris Mountain & Dave Hardman

So, what have I been up to lately? I actually had some time off, it happens, between movies, appearances, publicity tours, endorsement deals, whatever, lulls present themselves, and I get to sleep and eat (yeah, that's something I need to "catch up" on—not!), and watch some porn. A lot of the XXX stuff I watch goes back a while when I was a contract X-player with Metro Video, because it was a time as you know, when I got to make my own movies, consult on the movies others made, and sit in on the decison-making process and have a big say in how a lot of porn was made and put out. It was a very, very cool period of my profession carnal career.

One thing every porn company in the world does is try to find an ongoing series of a porn title that will sell itself over and over again. You know, the same name, different volumes. *Dirty Debutantes, Up N'Cummers, Barely Legal* are all hardcore titles from various porn producers that all ran for years, and many are even still running—the title stays the same, the theme stays the same, and only the performers change. Find a winning fornicative formula, and stick with it so long as it sells. For sure a lot of porn movies have dumb names, and they don't mean a thing really, they don't do so great, so you never hear of it again—an exception would be *Deep Throat*, the biggeest XXX movie of all time, but it never really became an ongoing series like it should have. Most times it's in one ear, out the other. However, others stick like gooey cum, and that's pure XXX gold for producers, directors and fans alike.

It was a while back when Metro, under the Fusxion label, released their first edition of a new movie called *Double*

Venus, Dave Hardman & Jay Ashley

Impact 1, directed by my good friend, Pat Myne, and running for over two hours—a good shot of sex, I'll say! The theme of the flick? Double penetration, DP's, one in the ass, and another in the cunt at the same time by two guys and one chick. Clinical enough for you? It starred: Bria Jaye Love, Renee Pornero, Rio Mariah, Venus, and Victoria Sin—and they all did DP's with the likes of Mark Davis,

Dave Hardman, Jay Ashley, Jon Dough, Manual Ferrara, Chris Mountain, and Brian Surewood. Lucky bastards! Five super hardcore scenes with five hot girls taking it high and hard, and…it worked insanely well!

When Fusxion released the first edition of *Double Impact,* they had no real idea how it would be received, by critics or consumers alike. There are just so many porn tapes being

Bria Jaye Love, Jon Dough & Manuel Ferrara

XXX REALITY CHECK

Victoria Sin, Jon Dough & Mark Davis

released worldwide on a daily basis, no matter what anyone tells you, what's a hardcore hit, and what's a limp-dick dump, is a crazy guessing game, and very little more. I mean, we try to figure this out in advance, but it's really up to the XXX gods of Gonzo when all is said and done. In the planning stages I thought *Double Impact* had the potential to be more than a one-hit wonder, it had all the right elements, so we gave it the go-ahead. Game on!

And, everyone forementioned loved *Double Impact 1*! They loved the girls, the action, and the entire set-up! A lot had to do with Pat, his sets are always a blast to be on, and the girls really enjoy being there, so they give it their all, as well as their anals—haha! Seriously though, Pat gets the most out of his ladies in a scene, and it shows. In addition to high sales figures, the fuck-flick online and magazine reviewers loved it—a typical review? "Buy this movie! If you like everything double—do not hesitate to buy this movie

instantly!" Not bad huh? Another? "This is a must see!" and how about a third? "More heat than a volcano!"

Over a nearly three-year period, we produced and released a number of more volumes of *Double Impact*, sticking with the same angle, and the same erotic elements that worked in the first one, and they all did well. This is, of course, the porn biz equivalent of hitting a homerun—not a "homo" run, you idiots! It earned not only a lot of cash for the producers, but solid professional credits for the director and staff, and great JO-time for the buyers. Win, win, win!!!

And there you go. A bit of the inside story to a bit of hardcore history, courtesy of...me! Haha! Porn is a real wacky business, and while a lot of pro-porners would like everyone to think it's an exact science. Well, guess what? It ain't exact, and it ain't science--it's what makes your cock move, and a lot of freakin' luck! And *Double Impact* had both. That's it then this month from **SWANK**ville! Been a thrill! Been a chill! Love you all, see you next month in America's greatest porn magazine ever!

Texas Hold'em Odds Card
In the game of Texas Hold'em, your goal is to play as many hands as possible against the least amount of players, preferably heads-up. The more players involved in any hand may decrease the probability that the best pre-flop hand will win.
The following chart illustrates suited AA – TT and shows the winning percentages for 2, 4, 6, 8, & 10 players.
Please Note: The chart refers to only suited hands. The non-suited hand percentages are slightly lower than those of suited hands.

PORNSTAR INTERVIEW

Rising Starlet!

Yes, it is the same Brooklyn Lee that was spotted on the arm of ex-President Clinton. Well, the former Commander-in-Chief may not be mentioned (security issues) but all else is fair game. Read on!

BROOKLYN LEE

Interview by Ron Jeremy

***SWANK:** Since your boobs are so deliciously round and perky, may we ask if those puppies are natural?*
Brooklyn: Oh, yes, I am all natural. Sometimes, my boobs fluctuate and get larger. They are proportionate to my body, however, which is nice.

***SWANK:** In what year did you begin your porn career?*
Brooklyn: I began in June of 2010.

***SWANK:** Wow, you've accomplished so much for just starting. It seems hard to believe.*
Brooklyn: It's funny how that has worked out. I'm always so incredibly busy. This month has been so crazy. Already, I've made two runs to Europe for various shoots. And now, I'm in Boston. Consequently, that was my first time ever being in Europe. Don't get me wrong, it was so cool being there, but it felt almost like a tease. Since I'm there for work, I don't have much time to go out and explore. When I was in Greece, I shot for private, and when I was in Hungary, I shot for a Spanish company. Europe was really cool!

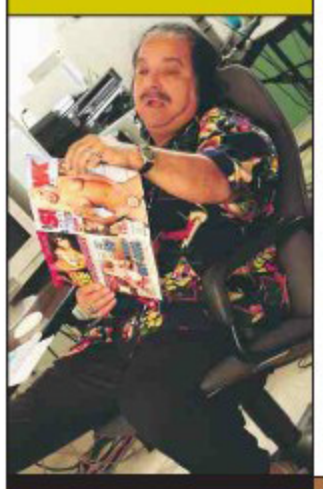
***SWANK:** What did you do prior to starting your career in porn?*
Brooklyn: Before porn, I was a stripper. I lived in Manhattan and worked at the Penthouse Club. While it was a very lucrative job, the lifestyle became very crazy. I was drinking too much, and wasn't managing to save any money. It seemed as though my life was a constant party, and I wasn't getting anywhere. The hours aren't really conducive to a normal schedule. I was like a vampire. It started to feel like I was running on a hamster wheel. After that, I decided to pursue a different avenue that would still allow me to be sexy, allow me to be an individual, and give me the ability to make a lot of money. That's when I decided to join the adult industry.

***SWANK:** Were there any porn stars that you channeled when creating Brooklyn Lee?*
Brooklyn: Now, I wouldn't say that I've channeled any one particular performer. I've always just tried to do my own thing, and have never wanted to copy anyone. In that, I can say that I've definitely looked up to girls—the legends—such as: Jenna Jameson, Tera Patrick, and Stormy Daniels. I've also looked up modern porn stars of my era like: Alexis Texas, Tori Black, Bobbi Starr, and Lexi Belle. I wouldn't say that I've tried to mimic what they do, but I can say that I have looked up to them, because there is so much to learn from them and their continued example.

***SWANK:** Is Brooklyn Lee a professional persona, or are you and she one in the same?*
Brooklyn: I believe that Brooklyn Lee and I are one in the same. When joining the adult industry, I picked a stage name because that is what people do, but underneath it all, I am still the same person. If there were any differences, it would be truly difficult for me to pick them out—especially at this point. Sometimes, when I hear people on set call my name— Brooklyn Lee—I forget that it is me that they are referring to. I sort of look over my shoulder and then remember, 'Oh, yeah! That's me!'

***SWANK:** Describe Brooklyn Lee: Porn star.*
Brooklyn: Brooklyn Lee is a free spirit who is very adventurous—both on and off camera. There are very few things I would never consider trying. My whole thing is about really connecting with the other performer—or performers—that I am working with. I love being in the moment, and giving myself completely to the person I am working with. There have only been a few occasions where I didn't feel particularly connected, or feel chemistry with my co-star. Luckily, those encounters have been very rare, and are few and far between. On those days, I've walked away from set feeling disappointed. I like to really feel that spark—even though it is a temporary feeling. When I don't feel those fireworks, I am affected. I would hope that my genuine interest and all of those sparks that come flying out of me are evident on camera. All of my sparks are certainly real and genuine when I am experiencing them.

***SWANK:** Where do you prefer your cum loads to be delivered?*
Brooklyn: Anywhere but my eye, or my nose! That has happened far too many times, although not on purpose. Anywhere is fine. Preferably not in my hair, either, because I wear hair extensions, and they take a



"I like to roll his cock around my mouth, and use plenty of hand motion"

28815

long time to wash. Tits, mouth, ass, pussy—wherever is fine with me. Some men are famous for drastically overshooting their loads. The worst is in the nose, though. It burns so badly, and is not a fun experience. I'm never opposed to getting cum in my mouth. My new thing is that I like blowing cum bubbles!

***SWANK:** So you're definitely not one of those girls that purse their lips together in an effort to keep cum from entering their mouth?*
Brooklyn: Definitely not! Anything that can be in my pussy can be in my mouth, although the inverse isn't necessarily true. For instance, I eat a lot of tofu, and definitely wouldn't want that shoved into my vagina, but I think you know what I mean.

***SWANK:** What is your favorite thing to have done to you sexually?*
Brooklyn: I really enjoy being dominated, although I don't enjoy when things go too far over the line. Intensity gets me off. As far as a specific act goes, I really can't think of any. When the moment is right, I go with it.

***SWANK:** Have you found that it has to be a certain type of person that brings out the more dominating levels of your sexuality?*
Brooklyn: No, not at all! I've been pleasantly surprised, especially when you are new. When you have sex, it's likely going to be the first sexual encounter you've had with the other performer. The people who I thought I would love working with, I didn't. And the people who I wasn't sure about working with, I absolutely loved. There's not a particular look or size that gets me off—it's just that 'something.' It's a fun day on set when you can say, 'Whoa, I didn't see that coming!'

***SWANK:** For those readers who would like to experiment with anal sex in their private lives, what advice could you offer them?*
Brooklyn: I would say that for a first timer, the best thing to do would be to start with smaller toys, fingers, and oral play. If you are stimulated in the front, it helps ease and relax things in the back. Small toys are great. They also might want to invest in a dilation kit, so they can slowly work their way up. When you're ready for the actual penetration, use a Hitachi wand to stimulate your vagina, and the cock should slip into your ass with no problem.

"I want to intoxicate the other person with my presence"
—B. Lee

***SWANK:** What is your favorite sex to have at home?*
Brooklyn: My favorite thing to do is to use a butt plug and a vibrator while I'm fucking—all at the same time. It's a lot to accomplish, but it's worth the effort.

***SWANK:** So, is that your most preferred way of getting off?*
Brooklyn: It is actually, although, at times, it seems a bit too involved. Really, who wants to get all of those accoutrements out for playtime? I must say that it does feel really good, and definitely yields explosive results. I also love getting myself off by using my fingers. Using my own fingers is how I first learned how to masturbate. I rub my clit in circular motions, and then it's on!

***SWANK:** Which type of role best exemplifies you as a performer?*

Brooklyn: It depends on the day, and the mood I'm in. I did do some work with *Mean Bitches,* and took on the dominating role. I participated in light domming, and it was awesome for me. It was the first time I had ever done anything like that before, [and] I was actually good at it. I had to order people around, and order them to eat my ass. I actually really liked it. I don't know if that necessarily exemplifies me as a porn star, but it definitely was an experience that pushed me well beyond my regular sexual limits. It was fun. Sometimes, it's very sexually freeing to step out of yourself and turn into something completely different. That day, I did!

***SWANK:** What is a silly fact that your fans may appreciate knowing?*

Brooklyn: I must admit though, even though I sometimes do the filthiest things, I have a bit of difficulty talking about it. I've never been the best dirty talker. I don't know why, but it embarrasses me to say certain things. Sometimes, I just feel stupid. When I dommed, I said some really crazy things. I marveled at myself that such things were coming out of my mouth. I guess being in that scenario turned on a different light in my head. I said things like, "You're nothing but an ass cleaner. You're sole purpose in life is to clean my ass!"

***SWANK:** Is that the type of character you'd now like to become?*

Brooklyn: No, not always. I do believe that variety is the spice of life. If I had to domme every day, it wouldn't be fun anymore. The novelty would wear off. I'm really happy with my career path thus far. I've had the opportunity to participate in amazing projects, such as a romance movie I shot for Wicked Pictures called *Heart Strings*—and I also starred as Black Widow in *Spider-Man XXX: A Porn Parody* for Vivid. My hair was specifically dyed magenta for that particular role. It took a long time to get it out, I'll tell you that much.

***SWANK:** Do you cum harder from vaginal or anal sex?*

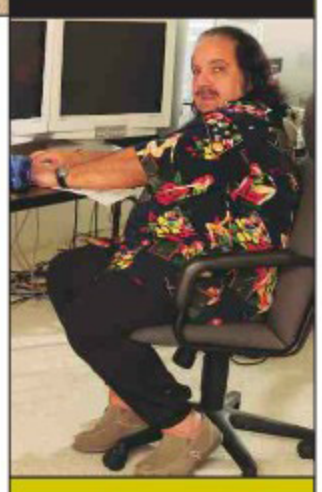
Brooklyn: I cum hardest when both of my holes are coming at the same time, although vaginal stimulation feels better.

***SWANK:** Have you performed in a DP scene yet?*

Brooklyn: No, but it is on my wish list. I['d] rather want to pace myself,

"Using my fingers, I rub my clit in circular motions, and then it's on!"

—B. Lee



and not give it all up right away. It is definitely something that is coming soon. I've never even performed a DP in my private life. When I do it on camera, it will be my first time—ever!

***SWANK:** What type of outfit makes you feel sexy?*
Brooklyn: I feel sexiest wearing my boyfriend's t-shirt and no underwear. The lingerie and the heels are nice, but it's how I dress professionally. The t-shirt is not commonplace, and therefore, it is what is sexy for me at home. That's just a cool look anyway. I would love to do a scene wearing that type of outfit. Perhaps, I will.

***SWANK:** What is your method of seduction?*
Brooklyn: I love using a lot of eye contact, while still being subtle about it. I want to intoxicate the other person with my presence, and suck them in like a vampire.

***SWANK:** Who are you dying to work with but haven't yet?*
Brooklyn: I'd love to work with James Deen and Andy San Dimas. The best scenario would be having both at the same time. That would be a dream come true. I think I'll put that on my wish list, too.

***SWANK:** Who, in porn, male/female, epitomizes the perfect porn star?*
Brooklyn: I don't think I can really answer that, because I feel every person has their own ideal. Now, porn has such a wide range of performers, and I can appreciate each one for their individual qualities. I think, back in the day, the stereotype for a porn star was big boobs, [and] platinum hair; and while that can be sexy, there is an entirely new definition of sexy that is sweeping the adult industry. Many girls are natural now, including such stars as Allie Haze and Gracie Glam. I don't think there is an ideal anymore—certainly not for me. Actually, I don't feel I fall into the traditional stereotype, either. People aren't quite sure exactly what to make of me yet. I look a bit different than everybody else and I do things a bit differently too, so people are still feeling me out.

***SWANK:** You do have an exotic look that is hard to pinpoint. What is your ethnicity?*
Brooklyn: My mother is predominantly Swedish, and my father is Puerto Rico [sic]. I have the Latin vibe going on. That's where my butt comes from.

***SWANK:** Who, in porn, has the best cock? Why is it so good?*
Brooklyn: Mike Adriano has a great cock. It's huge and is perfectly shaped. Mick Blue also has a pretty nice piece, as does Manuel Ferrara. They also are also blessed with a nice set of balls to match.

***SWANK:** Are you a size queen? Does size matter to you?*
Brooklyn: I think I was before I got into the adult industry, but then, my ideas were blown out of the water when I realized that my favorite performers weren't necessarily the guys with the biggest cocks. I prefer a passionate cock to just a big cock alone.

***SWANK:** What is the best thing about being a porn star?*
Brooklyn: The best thing for me has been the excitement of it all. I get to participate in crazy, fun, and exciting things every month. There is never a dull moment. I don't ever feel stagnant, or feel the pressures of having to go to a nine to five job, and type away on a keyboard all day. I also get to travel and hang out with very interesting people. My career has really been a learning process for me—one that I have enjoyed.

***SWANK:** What role do you feel you were born to play?*
Brooklyn: I think when I had my bright, red hair that I would have made a terrific Ariel from *The Little Mermaid*. I'd dye my hair back if someone would offer me that role. Although, I think spoofing a Disney movie might be over the line. What do you think?

***SWANK:** Describe the Lee method for sucking cock.*
Brooklyn: I utilize two methods. The first one; is where I ram his cock down my throat and use lots of spit. The other method can best be described as an oral cock massage. I roll his cock around my mouth, and use plenty of hand motion. Based on the intensity of the scene, I'll switch up my game.

***SWANK:** Describe the Lee method of sucking slit.*
Brooklyn: Well, first off, I never push my face into a vagina because that doesn't feel too good. For women, I use more of the mouth messaging method. I handle their pussies the way I would want them to handle mine. My pussy eating skills can best be described as 'Making out with the pussy.' I completely make out with their hole, switching up the way I use my mouth and tongue. I never stay on one spot for too long, but instead, make out with all of it. I love eating pussy. Pussies are great!
